- On Friday I go to beautiful Napili beach and get a bad sunburn.

## Napili Bay

Next to the Napili Kai Resort, Napili Bay is one of the most beautiful bays in Maui. It has a steep incline into the water with unblemished white sand. The water is beautiful and bright blue. A monk seal has made this beach his home. If you see him, leave him alone and stay at least 15 feet away. Snorkeling is good on both sides of the bay. Parking is difficult unless you're staying in the resorts in the area. Facilities are also reserved to residents and guests of the resorts.
